**Rockwell Semi-Flush Mount**

Model	Bulbs (not included)	Wattage (or equivalent)
SF100-BK	4*60W	60 W

Sturdy in shape and steadfast in style, the Rockwell will be a charming addition to your homestead. His simple cage illustrates a modern aesthetic, and his clear glass cylinders surrounding glowing lamps add a sense of humble grace. He's stately when finished in brushed nickel, and a versatile crowd pleaser when outlined in black with multi-finish sleeves. When you're ready to put your feet up and flip through the pages of your latest Saturday Evening Post, Rockwell will be there, confident and comforting, to illuminate every page.
